## **Artist Submission Policy**

*We are interested in exhibiting works that reflect an artist's mastery of media and singular vision. We encourage emerging and established artists with strong work to apply for consideration as our focus is on programming that is fresh and exciting.*

*The gallery reviews portfolios on an ongoing basis, and schedules exhibitions for the following calendar year by late August. If we are interested in your work, we will ask to hold onto your portfolio submission until a decision is made. Please keep in mind this does not guarantee a show.*

**Include the following materials in your packet:**

- 1. 15-25 images of cohesive mature work completed within the past 5 years on cd (1 mg or smaller), slides, or 8"x10" prints (please do not send originals). The more current the work the better. Please include only images of available work.**
- 2. A corresponding image title list, including date completed, materials used, dimensions, and retail pricing.**
- 3. Your artist statement, typed, one page max, double spaced.**
- 4. Artist bio/resume**
- 5. Two SASE's. One for our written response and one if you'd like your materials returned.**
- 6. Mail to the above address. We do not review submissions by email or by website referral.**

**Please allow at least 12 weeks for a response. Thank you and good luck!**
